Deconstructing Homophobia and Transphobia

Top 4

Reasons to request this training:

1. Gain understanding of the systemic barriers that restrict access to health services for LGBTQ community members.
2. Build understanding of the relationship that LGBTQ history has on current HIV-related disparities.
3. Learn and share best practices for institutional change to promote LGBTQ-inclusive services.
4. Build strategies to reduce the impact of transphobia and homophobia on HIV prevention and care systems.
